Ref. No. 504-1 General.

Station Madras. *Dated the* 27th July 1929.

From (Name) Major-General J.W.D. Megaw, C.I.E., V.H.S., I.M.S.,
(Designation) Surgeon-General with the Govt. of Madras

To The Secretary to the Government of Madras,
Local Self Government (Public Health) Department.

Sir,

There is only one compounder (female) attached to the Lady Goschen Hospital for Women and Children, Mangalore. The Superintendent brings to my notice that the attendance in the Hospital has increased in both In and Out patients as will be evidenced from the figures furnished below:-

Year.	Total number of out-patients.	Total number of in-patients.
1926 ...	10,189	1055
1927 ...	9,072	1086
1928 ...	12,563	1429

He states that the existing one compounder finds it difficult to cope with the increased work of the Hospital and that as she works only during the day there is no compounder for night duty to

to attend to the giving of medicines to in-patients and also to urgent cases that come up during the night. He therefore considers the appointment of an additional compounder is absolutely necessary for the Hospital and requests sanction for the appointment.

The number of beds in the Lady Goschen Hospital for Women and -- Children, Mangalore, is 50 and the daily average number of in and out-patients during 1928 is 48.00 and 98.07. The scale recommended by the Surgeon-General and accepted by Government is 1 compounder for every 100 out-patients and an additional compounder for every 75 in-patients. On this basis, the lady Goschen Hospital for Women and Children, Mangalore, should have 2 compounders against one at present. In the circumstances stated by the Superintendent, I agree with him and consider that the -- appointment of an additional compounder for the Hospital is necessary. It is therefore requested that Government will be pleased to sanction the appointment of an additional female compounder for the Lady Goschen Hospital for Women and Children, Mangalore, temporarily on Rs. 30/- per mensem till 1st April 1930 and include the proposal for the permanent retention of the temporary compounder from 1-4-30 as a Part II scheme of the Budget for 1930-31.

I have the honour to be,
Sir,
Your most obedient servant,

Major-General I.M.S.,
Surgeon-General with the Government of Madras.
